

# NEW HOMES FOR STELLA LINK

Tell us how to make these homes an asset for the community at [bit.ly/stella-link](https://bit.ly/stella-link)

## WE NEED YOUR INPUT!

The City of Houston Housing and Community Development (HCDD) will be transforming approximately 12.2 acres of land at 10301 Stella Link into a mixed-income development. Located south of Main Street and east of Willowbend Avenue, this affordable home development will create up to 240 disaster-resilient, energy-efficient single-family homes.

We need your input to make the best use of the space and build homes that fit into residents' vision for the community.
